## Operating Instructions

Thank you for buying this EdgeLight® product. Please read through these operating instructions so you will know how to operate your unit properly. After you have finished reading the instructions, keep them in a safe place for future reference.

### WARNING

This product is not waterproof. To prevent a fire or shock hazard, do not place any container filled with liquid near this equipment or expose it to dripping, splashing, rain or moisture.

### IMPORTANT

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of uninsulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

**CAUTION:**  
TO PREVENT THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

### INFORMATION TO USER

Alteration or modifications carried out without appropriate authorization may invalidate the user's right to operate the equipment.

## SAFETY INSTRUCTIONS

To ensure your personal safety and to maximize the full operating potential of this product, read and follow these safety precautions:

**ENVIRONMENT-DO NOT** use the unit at places with high levels of dust, high temperature, or high humidity. Please use the unit in a place where it is not subjected to vibrations or shocks.

**POWER-** Please use correct power as required for this product.

**READ INSTRUCTIONS-**Read all safety and operating instructions before operating this product

**RETAIN INSTRUCTIONS-**Retain the safety and operating instructions for future reference.

**FOLLOW INSTRUCTIONS-**Follow all operating and use instructions.

**HEED WARNINGS-**All warnings must be adhered to.

**CLEANING-DO NOT** use aerosol cleaners. Use only a little alcohol or a damp cloth to clean the exterior housing.

**WATER AND MOISTURE-DO NOT** use this product near water.

**POWER SOURCES-** Operate this product from the type of power source indicated on the marking label. If you are not sure of the type of power available, consult Authorized EdgeLight™ Dealer.

**OVERLOADING-DO NOT** overload wall outlets and extension cords. Doing so can result in fire or electric shock.

**OBJECT AND LIQUID ENTRY-**Never push objects of any kind into this product. Touching dangerous voltage points may cause a short resulting in fire or electric shock. Do not spill liquid of any kind on this product.

**CONDENSATION-**Moisture will form in the operating section of the product causing performance to be impaired if it is brought from cool surroundings into a warmer environment. If you are moving the unit to a location with a warmer temperature, let the product stand for 1 to 2 hours in the new location before turning it back on.
