Operating Instructions

Thank you for buying this EdgeLight® product. Please read through these operating instructions so you will know how to operate your unit properly. After you have finished instructions, keep them in a safe place for future reference.

WARNING

This product is not waterproof. To prevent a fire or shock hazard, do not place any containers with liquid near this equipment or expose it to dripping, splashing, rain or moisture.

IMPORTANT

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of uninsulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

CAUTION:
TO PREVENT THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

Information to User

Alteration or modifications carried out without appropriate authorization may invalidate the user's right to operate the equipment.

Operating Instructions

SAFETY INSTRUCTIONS

To ensure your personal safety and to maximize the full operating potential of this product, read and follow these safety precautions:

ENVIRONMENT-DO NOT use the unit at places with high levels of dust, high temperature, or high humidity. Please use the unit in a place where it is not subjected to vibrations or shocks.
